

## Before your dance lesson

We will email key information to you after you have confirmed your place

If you or your family members have any COVID-19 symptoms, please let us know as soon as you can; do not attend lessons and follow the government guidelines.

## On the day of your lesson

Please dress for your class before arriving at the hall (do not arrive in dance shoes)

Please bring enough water in a bottle and place, in a bag with dance shoes, any other items needed for the class

Please bring a mask if you wish to wear one

Please wait outside the hall 2m away from the entrance door

## Entering the building

Your teacher will open the door and will let you enter after marking the register, checking your temperature and giving you hand sanitiser

The hall will be tidy and clean with door handles and barres etc sanitised by your teacher before and after each lesson

## In the dance studio

Please go straight to a chair or spot as indicated by your teacher. You can then change into your dance shoes

There will be no other people in the hall. Windows and fire doors will be open for ventilation

There will be distancing markers on the floor to ensure a safe distance is maintained

Where barres are used, there will be only one person to a barre (only one side will be used)

Your teacher will also undergo daily temperature checks

## Leaving the building

At the end of your lesson, please change your dance shoes and pick up your belongings, your teacher will then see you to the exit and give you hand sanitiser

Parents collecting - please be waiting outside the door (or in a car which can be seen from the door for older children) we will not let children out unless we can see you and need to keep classes running on time
